

**Anthony Novac - President, Sonco Gaming Inc. and Director, Sonco Group Inc.**

Anthony Novac has worked in and around the gaming industry for almost 20 years. He has extensive experience in the areas of casino development, project financing, entertainment, hospitality, procurement, and operations. Anthony has been involved in the acquisition, application or development of casinos in 5 Canadian provinces. In addition to his involvement as Project Lead for the Great Blue Heron Charity Casino, Casino New Brunswick, and Grey Eagle Casino projects, he also has considerable experience in Internet gaming, where he was a founder and senior executive of one of the world's leading online gaming companies. Anthony is a sought-after speaker on issues regarding the Canadian gaming industry. As well, Anthony has experience in developing hospitality properties such as the Hotel at Casino New Brunswick, and the Grey Eagle Resort and Casino. He also spearheaded Sonco's acquisition of Maxims Casino Club in London, UK in March 2019, and is the CEO of the organization that oversees its operations.
