

Anthony Novac
President - Sonco Gaming Inc. &
Vice President - Sonco Hospitality

Anthony Novac has worked in and around the gaming industry for almost 20 years. He has extensive experience in the areas of casino development, project financing, entertainment, hospitality, procurement, and operations. Anthony has been involved in the acquisition, application, development, and/or operation of casinos in 5 Canadian provinces including New Brunswick, Ontario and Alberta. In addition to his involvement as Project Manager of the Great Blue Heron Charity Casino, Casino New Brunswick, and Grey Eagle Resort and Casino projects, he also has considerable experience in Internet gaming, where he was a founder and senior executive of one of the world's leading online gaming companies. Anthony is a sought after speaker on issues regarding the Canadian gaming industry. In addition to being the President of Sonco Gaming Inc., and the Vice President of Sonco Hospitality, he is also currently the CEO of a leading mobile technology company.
